

ASX Announcement

Delta Drone International Signs 3-year Contract with Red 5 Limited subsidiary for Drone Services

HIGHLIGHTS

- Rocketmine (WA) Pty Ltd (subsidiary of Delta Drone International) signs contract for drone surveying services with Red 5 Limited (via wholly owned subsidiary, Greenstone Resources (WA) Pty Ltd) in Western Australia
- 3-year contract with a Total Contract Value (TCV) AU\$1.01m and Annual Recurring Revenue (ARR) of AU\$336k for services to the King of the Hills and Darlot mines
- Red 5 Limited is an Australian ASX listed gold producer with established mines located in the Eastern Goldfields of Western Australia

8 June 2022 – Global drones-as-a-service provider, Delta Drone International Limited (**ASX: DLT**) is pleased to announce it has signed a contract with Red 5 Limited (via wholly owned subsidiary Greenstone Resources (WA) Pty Ltd) in Western Australia for drone surveying services.

The contract is for three years and has a Total Contract Value (TCV) of AU\$1.01m and Annual Recurring Revenue (ARR) of AU\$336k (billed monthly). Services are for the King of the Hills Mine (KOTH) and Darlot Mine

The contract is subject to a termination clause of 90 days' notice plus an early termination exit fee equivalent in value to 3 months of contract fees.

DLT CEO Christopher Clark said: *"We are pleased to be officially working with Red 5 and to provide frequent aerial surveying support which can be delivered efficiently and effectively to the business across a number of areas including for open pit mining, stockpile, processing area and for environmental purposes."*

About Red 5

Red 5 Limited is an Australian gold producer with established mines located in the Eastern Goldfields of Western Australia. The Company is listed on the Australian Securities Exchange (Ticker: RED). Red 5 owns and operates the King of the Hills (KOTH) Gold Project, located approximately 900 kilometres north-east of Perth in the Leonora-Leinster mineral province of Western Australia. Red 5 also owns and operates the Darlot Gold Mine located approximately 100 kilometres north of KOTH.

This announcement has been authorised for release by the Board of Delta Drone International Limited.
